BILL No. 7 OF 1935.

A Bill further to amend the Indian Registration Act, 1908, in its application to the Presidency of Madras for a certain purpose.

AND WHEREAS the previous sanction of the Governor-General has been obtained to the passing of this Bill;

It is hereby enacted as follows:—

Enacted,

Amendment
of section
89, Act XVI
of 1908.

1. This Act may be called the *Indian Registration (Madras Amendment) Act, 1935*.

2. After sub-section (4) of section 89 of the Indian Registration Act, 1908, the following sub-section shall be added, namely:—

"(5) Every officer granting a certificate of sale of immovable property under the rules made under the Madras Co-operative Societies Act, 1932, shall send a copy of such certificate to the registering officer within the local limits of whose jurisdiction the whole or any part of the immovable property comprised in such certificate is situate, and such registering officer shall file the copy in his Book No. 1."

Section 89
VI of 1908.

STATEMENT OF OBJECTS AND REASONS.

The Madras Co-operative Societies Act, 1932 (Madras Act VI of 1932), enables the Registrar of Co-operative Societies or any officer empowered by him to receive certain notices by attachment and sale of property—See section 57-A inserted by Madras Act V of 1935. Officers of the Madras Co-operative Department exercising this power are required, by the rules made under this Act, to grant certificates of sale in respect of immovable property sold by them. Sub-sections (3) and (4) of section 89 of the Indian Registration Act, 1908, require that certificates of sale of immovable property granted by courts and Revenue Officers should be sent to the registering officer and that he should file them in his Book No. 1. The object of this Bill is to make a similar provision in respect of certificates of sale of immovable property granted by officers of the Madras Co-operative Department, in order to ensure the completeness and extensibility of the record of title to immovable property kept in registration offices.
